

RISK ASSESSMENT – COVID-19

Academy Trust	Pioneer Academies Community Trust									
Academy Name:	Parkside Primary Academy									
Location:	Barnsley									
Number on roll:	246									
Pod sizes	Foundation Stage = 68 Key Stage 1 = 56 Lower Key Stage 2 = 56 Upper Key Stage 2 = 58 Nurture Group = 8									
Date of Assessment:	24/08/2020	Review Date:	16/07/2021(or before if required)			Revision No:	5			
Persons Exposed:	Employees:	✓	Other Workers:	✓	Public / Visitors:	✓	Young Persons:	✓	Estimated total number of persons at risk:	310
	New / Expectant Mothers:			✓	Vulnerable Persons:	✓	Other:			

Task Description:	Risk assessment for the possible transmission of Coronavirus / COVID-19. This was originally written in conjunction with Department for Education advice on 11/05/2020 and has been further revised with information published on 02/07/2020. This document should be read in conjunction with any other risk assessments used within the school – see Appendix 1: Summary of full school re-opening overview
--------------------------	--

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Lack of Information to Children	4	5	20	Children are provided with information on the correct handwashing methods. This includes the use of posters in toilets and washrooms to provide guidance on the exact method. Children are being provided with specific information on hygiene during normal lessons. Information on COVID-19 is being provided to all pupils so that the risks associated with the virus are fully understood. The level of information provided is tailored to the age of the pupils concerned.	1	4	4	None Required	✓	

RISK ASSESSMENT – COVID-19

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Lack of Information	3	5	15	<p>The school has subscribed to information and updates from approved sources. These include, but are not limited to:</p> <ul style="list-style-type: none"> The UK Government (UK Gov) (https://www.gov.uk/coronavirus), Public Health England (PHE) (https://www.gov.uk/government/publications/guidance-to-employers-and-businesses-about-covid-19), Department for Education (DfE) (https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools) National Health Service (NHS) (https://www.nhs.uk/conditions/coronavirus-covid-19/) Health and Safety Executive (HSE) (https://www.hse.gov.uk/news/coronavirus.htm) <p>Updates are passed to all staff members to ensure that they are kept informed. This is in the form of notices, memos and meetings (face to face, videoconference or teleconference). The subject is of public concern and all newspapers and other news sources are providing daily information on this matter. All persons, therefore, are considered to have easy access to information at the present time.</p>	1	5	5	The covid secure poster is displayed in a location that staff can easily observe. – staff room and the office reception area	✓	
Use of Personal Protective Equipment	2	5	10	<p>The wearing of a face covering or face mask in school is not recommended.</p> <p>Face coverings must not be worn by young children or those with special educational needs as they may not be able to handle them as directed.</p> <p>Any pupil who has an existing care routine which requires the use of PPE should continue to receive care in the same way. In the event that a pupil becomes unwell with symptoms of COVID-19 then social distancing should be maintained. If this is not possible then the supervising adult should wear gloves, an apron and a face mask for this situation only. If the child is coughing, spitting or vomiting, then eye protection should be worn.</p> <p>Schools have obtained adequate quantities of PPE and have trained staff in the safe use (such as doffing and donning). Means of disposing of used PPE has been considered and suitable bins are provided which are emptied regularly.</p>	1	5	5	Ensure that the school has a supply of face masks, aprons and eye protection for emergency use only. A variety of face masks are available for emergency use. All adhere to PPE safety standards.	✓	

RISK ASSESSMENT – COVID-19

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Contact with Others	4	5	20	<p>Contact between other persons must be limited and social distancing (keeping 2m apart) should be followed where possible.</p> <p>Movement along corridors will be reduced as far as possible. Timetables will be modified to ensure that breaks, and drop-off / collection times as staggered.</p> <p>Outdoor lessons will be used where possible as the transmission of the virus is less likely to occur externally.</p> <p>Groups or bubbles will work and play in isolation and will not mix with other bubbles.</p> <p>For ease of organisation bubbles will form part of a larger pod. Staff may work across bubbles within the same pod. Staff required to mix with multiple groups must obey social distancing at all times and follow increased hygiene rules such as regular handwashing when moving from group to group.</p> <p>Outside areas will be accessed directly from classrooms using external fire doors where possible to minimise use of corridors. Fire doors will be secured after use.</p> <p>Meetings, such as assemblies with more than one group, will be avoided.</p> <p>Toilets will be monitored to ensure that there is not overcrowding.</p> <p>Toilets will be allocated to specific pod groups only. If shared use of the toilet by more than one group is required, then thorough cleaning must be undertaken after each use. As this is not likely to be practicable, this should be discouraged wherever possible.</p> <p>Shared resources will be limited to use within single groups only. If sharing is required by multiple groups, then they must be cleaned or left for 48 hours (72 hours for plastic items) between uses.</p> <p>Staff taking leave abroad will be required to follow applicable government guidance on isolation or quarantine following return to the country. Full advice to be followed can be accessed from: https://www.gov.uk/government/publications/coronavirus-covid-19-how-to-self-isolate-when-you-travel-to-the-uk/coronavirus-covid-19-how-to-self-isolate-when-you-travel-to-the-uk</p>	2	5	10		✓	

RISK ASSESSMENT – COVID-19

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Shielded Persons and Persons with Increased Risk	4	5	20	<p>The shielding rules will change on the 1st August and the school will follow the recommendations in full.</p> <p>Details on the revised guidance is available from: https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19</p> <p>Any persons with significant risk factors will be subject to a personal risk assessment prior to returning to school so that control measures can be agreed by all parties and implemented accordingly. Control measures may include working from home and will be considered on a case by case basis.</p> <p>Social distancing will be maintained for all persons previously categorised as ‘Clinically Vulnerable’ or ‘Clinically Extremely Vulnerable’ wherever possible.</p> <p>All control measures are implemented by the school with the intention to protect all persons, regardless of background, to the fullest extent, and without exception.</p>	1	5	5	The school should ensure that medical records for children and staff are updated and kept on file.	✓	
Children with SEND requirements	4	5	20	<p>Children with SEND requirements are identified by the school. Groups will be formed of an appropriate size to avoid contact and mixing but without restricting access for support, specialist staff or therapies.</p> <p>The school will plan to assist children with changes to routines using social stories and other measures.</p> <p>Support and specialist staff who move between schools will be permitted, however they will observe strict social distancing from other staff and will obey enhanced hygiene rules including more regular hand cleaning.</p> <p>If a child with SEND requirements attends more than one setting, including NHS hospitals, then the school will communicate clearly with the other settings to ensure a uniform approach is agreed.</p> <p>Staff will wear appropriate PPE if the pupil requires intimate care.</p> <p>The school will ensure that travel arrangements are in place and agreed with the local authority if transport is required as part of the EHC.</p> <p>The school will ensure that there are appropriate measures to facilitate movement around school for those using wheelchairs or walking aids. This will include avoiding contact with others along corridors wherever possible.</p>	1	5	5	New SEND risk assessments updated for SEND children.	✓	

RISK ASSESSMENT – COVID-19

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Classrooms (other than EYFS)	4	5	20	<p>Class sizes from the 1st September will return to normal levels. Existing bubbles of 15 will be disbanded at that point. Consideration is being given to the formation of pods based on phase groups. The pod size will not exceed 100 persons without additional justification.</p> <p>Classrooms will be arranged to provide 2m social distancing for adults where possible.</p> <p>Soft furnishings and other resources can be reintroduced into the classrooms provided that they are retained within the class bubble and not shared outside of this group. Cleaning of these items, including steam cleaning if appropriate, should be undertaken on a regular basis.</p> <p>Children in primary schools are not subject to social distancing under the 2nd July revision of the DfE guidance. Due to this the classroom layouts will be revised accordingly to ensure that the required number of children can be accommodated without affecting fire evacuation plans.</p> <p>Children will be seated shoulder to shoulder wherever possible to avoid face to face contact.</p>	1	5	5	None Required.	✓	

RISK ASSESSMENT – COVID-19

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
EYFS Classrooms	4	5	20	<p>Teaching and support staff will avoid physical contact wherever possible, however it is accepted that this might be necessary for these, younger, children. Adults will be required to wash hands following any contact.</p> <p>Soft furnishings and other resources can be reintroduced into the classrooms provided that they are retained within the class bubble and not shared outside of this group. Cleaning of these items, including steam cleaning if appropriate, should be undertaken on a regular basis.</p> <p>Fabric resources should be cleaned regularly, or be retired from use for a period of 48 hours (72 for plastic items) after being used within the setting.</p> <p>Rotation of resources will be used wherever possible to allow items to be cleaned thoroughly to prevent surface transmission. Classrooms do not require to be organised on a shoulder-to-shoulder basis for children of this age group.</p> <p>All play items will be cleaned and sanitised regularly.</p> <p>Outdoor areas will be allocated to EYFS classes for their use only. If the total EYFS group size is large, then additional areas will be provided for their use alone.</p> <p>PPE should be worn when undertaking intimate care needs for younger children.</p>	1	5	5		✓	
Educational Visits	4	5	20	<p>Educational visits will be planned on their individual merits. Overnight visits, or visits to overseas territories, are prohibited at the current time.</p> <p>The school will undertake a thorough risk assessment of the visit, as normal, prior to commencement. This assessment will now include an assessment of the COVID-19 secure status of the desired venue.</p>	1	5	5	No educational visits are currently planned. The educational visit form will be amended to include Covid Secure status of the visit venue	✓	
Outside Play Areas	4	5	20	<p>Outside play areas will be provided for all bubbles. All groups will have their own designated play areas. Break time will be staggered to reduce numbers outside at any one time.</p> <p>Mixing of bubbles will not be permitted outside.</p> <p>Use of outside play equipment will be restricted to individual groups wherever possible.</p> <p>Outside play equipment will be regularly cleaned wherever possible.</p>	1	5	5		✓	

RISK ASSESSMENT – COVID-19

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Break Periods And non-contact time	4	5	20	Break periods will be staggered to reduce numbers outside of classrooms at any one time. Staff will be able to use welfare facilities away from the classrooms. Social distancing within any staff welfare areas will be enforced. All staff must ensure that social distancing is maintained with adults at all times throughout the day.	1	5	5		✓	
Supply and Peripatetic Teachers	4	5	20	Supply and Peripatetic teachers may be required to provide assistance to multiple schools. This is acceptable. All supply and peripatetic teachers will be required to comply with the school's arrangements for managing and minimised risk. These persons will be required to take extra care to maintain distance from other staff and pupils. Contact with children will be prevented wherever possible. This group also applies to sports coaches, those engaged to deliver before and after school clubs, and any volunteers used within the school.	2	5	10		✓	
Items Removed from School	4	5	20	Items can now be removed from school on a limited basis. Teachers and pupils will be allowed to remove items, such as books, provided that they do not share these materials with others outside the school setting. Resources which are required to be used by others in school should be cleaned thoroughly or left for 48 hours (72 hours for plastic items) upon return to school. Children will be allowed to bring everyday essential items only, such as lunch boxes, water bottles, hats, coats and books. Bags are permitted to be brought into school. Cloakrooms will not be shared by multiple groups and they will be monitored on arrival and leaving times to ensure that they are not overcrowded.	2	5	10		✓

	L	S			L	S			Yes	No
Housekeeping	3	5	15	<p>Adequate supplies of cleaning materials are kept on site. Each classroom has been provided with cleaning materials so that teaching staff can clean the frequently touched areas (surfaces and chair backs) between professional cleaning periods.</p> <p>Cleaning staff have been instructed to increase the frequency of cleaning wherever possible.</p> <p>Surfaces where regular contact is likely, such as door handles, tables, signing in systems, light switches, chairs etc. are being prioritised to ensure that they are cleaned regularly.</p> <p>Housekeeping staff are trained in the correct use of cleaning equipment and chemicals.</p> <p>The building is subject to regular cleaning by trained and competent persons. If required a 'deep clean' is able to be requested.</p> <p>Paper towels and bins are provided in all toilets and hand dryers are not used.</p>	2	5	10	A more regular inventory of the cleaning stock will be made to ensure that supplies remain adequate, especially if availability becomes restricted.	✓	

RISK ASSESSMENT – COVID-19

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Transmission of Virus / Hygiene	4	5	20	<p>All persons in school are provided with information on good hygiene measure to include:</p> <ul style="list-style-type: none"> washing hands with soap and water often – do this for at least 20 seconds. washing hands when you get home or into work. using hand sanitiser gel if soap and water are not available. covering mouth and nose with a tissue or sleeve (not hands) when coughing or sneezing. put used tissues in the bin straight away and wash hands afterwards. do not touch your eyes, nose or mouth if your hands are not clean. <p>All persons are instructed to obey 'social distancing' wherever possible. This means maintaining a 2m separation wherever practicable.</p> <p>Supplies of soap and hand sanitiser are available for use.</p> <p>Hand sanitiser, or similar, is available in the reception and all visitors and staff are instructed to use this on arrival to the building.</p> <p>Hand washing facilities are available throughout the school building and includes sinks in toilets and classrooms.</p> <p>Bins will be emptied regularly, especially those used for disposing of tissues.</p> <p>Good levels of ventilation will be provided throughout the school and will include the use of open windows or air conditioning wherever possible.</p>	2	5	10	<p>Ensure that notices are displayed requiring all persons arriving on site to use hand sanitiser, or similar, before entering the main building.</p>	✓	
Emergency Procedures	3	5	15	<p>The school has formulated an emergency plan to follow should closure be required.</p> <p>Employees have been made aware of the emergency plan.</p>	1	5	5	None Required	✓	

RISK ASSESSMENT – COVID-19

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Employees Becoming Unwell	4	5	20	<p>The symptoms of the virus are being communicated extensively through media outlets and government information and so it is likely that persons are aware of the virus and its symptoms. Employees are instructed to remain at home at the first onset of any symptom. Employees are instructed to follow official Government guidance on isolation and testing procedures and the time that they are to remain away from school. If employees develop symptoms on site, they should be sent home to self-isolate and book a test. It is envisaged that there will not be a problem with staffing levels. Should this become an issue, however, then advice should be sought from the Trust and Education Authorities on how to proceed.</p>	2	5	10	Senior Leadership to remain vigilant for employees displaying the signs of symptoms of COVID-19.	✓	
Pupils Becoming Unwell	3	5	15	<p>If any child becomes unwell with the symptoms of COVID-19 (a new, continuous, cough or high temperature) they will be moved to a room where they can be isolated behind a closed door whilst parents are called to collect the individual. Supervision will be provided at all times for pupils who become unwell waiting for parents to arrive. If children waiting to be collected require the bathroom then they should use a separate bathroom if possible and this will be disinfected using normal cleaning products before being used by anyone else. If social distancing cannot be maintained (for example with young children or those with complex needs) then PPE should be worn by the supervising adult to include gloves, aprons and face mask. If the child is spitting, vomiting or coughing then eye protection will be worn. The supervising person should wash their hands thoroughly after contact with any person who is unwell, and the affected area cleaned with normal disinfectant once the person has left. There should be no need for the supervising person to self-isolate following supervision of a child with symptoms unless they develop symptoms themselves.</p>	2	5	10	None Required	✓	

RISK ASSESSMENT – COVID-19

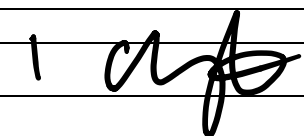

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Confirmed Case of COVID-19	4	5	20	<p>If any pupil or employee tests positive for COVID-19, the rest of their group will be sent home and advised to self-isolate for 14 days.</p> <p>NHS Test and Trace will be engaged, and the school will co-operate fully with any investigation process. Information on the arrangements for compliance with NHS Test and Trace will be provided to all parents.</p> <p>If there are multiple instances, then the assistance of Public Health England will be sought.</p> <p>Any person who is tested and is the result is negative then they can return to school as soon as required.</p>	2	5	10	Ensure that contact details for Public Health England are known.	✓	
Physical Education	4	5	20	<p>PE sessions will be undertaken outside wherever possible.</p> <p>Any high exertion activities must be undertaken outside and cooling down exercises undertaken before moving inside. This is due to the way that persons breathe during exercise.</p> <p>Activities such as active miles, making break times and lessons active and encouraging active travel will help to encourage physical activity whilst maintaining social distancing.</p> <p>Distance between pupils should be maximised during physical activity.</p> <p>Contact games or sports are not permitted.</p> <p>Changing within classrooms will be undertaken wherever possible.</p> <p>If changing within classrooms is not practical, then pupils will be permitted to wear PE clothing instead of school uniform on those days when PE is to be undertaken. Adoptions will be made in the required clothing for PE sessions to take weather conditions into account, such as the wearing of trousers and jumpers in winter. Consideration will be given to back up clothing in poor weather conditions.</p> <p>Use of changing rooms should be avoided wherever possible as the cleaning requirements are likely to be prohibitive.</p>	2	5	10		✓	
Air Conditioning	2	4	8	<p>Air conditioning systems are maintained by competent persons. Only air conditioning systems used within the schools which draw fresh air from outside, and do not recycle used air, will be used.</p> <p>Air conditioning systems are fitted with good quality filters to reduce the likelihood for unclean air to be circulated. The filters are checked and replaced by a competent person where required.</p>	1	4	4	None Required	✓	

RISK ASSESSMENT – COVID-19

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Access and Egress to School	4	5	20	<p>The start and finish times of the school day will be staggered. If parents accompany their child to school, then they will be encouraged to hand the child over at the school gates. If parents are to enter the school grounds, then they must wait in their designated areas and follow the signage whilst maintaining social distancing with all other persons at all times. Adults will not be permitted to congregate at the access points to the school.</p> <p>Collection and drop-off times will be supervised by the school staff.</p> <p>Pupils will be encouraged to attend school by walking or cycling wherever possible, and provided that this can be done in a safe way.</p> <p>The school will follow government guidance in respect of public transport and will liaise with any transport provider to ensure that controls for COVID-19 are implemented.</p>	1	4	4		✓	
Catering	4	5	20	<p>Children will be encouraged to bring a packed meal from home. Kitchens will provide food for all children entitled to a FSM, Universal Infant Free School Meal or who wish to purchase one. The school will consult with the catering supplies as to the type of food provided.</p> <p>Consideration will be given to eating within classrooms to ensure mixing of groups does not occur.</p> <p>Eating within school halls will be acceptable providing that groups do not mix and that there is cleaning of surfaces between sittings.</p> <p>Catering managers will be required to demonstrate that they are following all COVID-19 guidance and that they maintain social distancing between themselves and others.</p> <p>Consideration will be given to providing serving persons PPE, such as facial coverings, as they will be required to mix with multiple persons and groups and there is the increased likelihood that they will come into close contact with these persons.</p>	1	4	4	<p>All children will eat in classrooms.</p> <p>A sandwich packed lunch meal will be provided.</p>	✓

Hazard	Factors of Harm		Risk	Control Measures	Factors of Harm		Residual Risk	Further Actions	Acceptable Risk?	
	L	S			L	S			Yes	No
Breakfast and After School Clubs	4	5	20	Initially schools will not offer breakfast and after school clubs If these are reintroduced then individuals within school groups or bubbles will be kept separate wherever possible. Parents will be encouraged to limit the number of wraparound providers as far as possible. Staff overseeing these clubs will be required to social distance wherever possible.	1	4	4		✓	
Visitors	4	5	20	Only essential visitors should be permitted to attend school if possible. The prior consent of the Headteacher is needed for ALL visitors to school. All unessential visitors, meetings or appointments should be postponed, or the use of teleconference or videoconference facilities should be considered. Visitors are instructed to wash hands on arrival at the site and when leaving. Visitors must follow the same infection control and hygiene rules as all other persons on site. If a visitor refuses to follow the school's policies in any way, then they are to be removed from site immediately. Any visitors who display symptoms of the virus on arrival at the site will not be permitted access.	2	5	10	Ensure that information posters and notices are prominently displayed in reception areas. NO visitors will be admitted into the school building without the prior consent of The Headteacher	✓
