Dear Parent/Carer

Outcome of Parkside Primary Academy's Ofsted Inspection

I am delighted to be able to share with you, the outcome of our recent Ofsted Inspection which states that Parkside continues to be a good school and that **'Pupils thrive at Parkside Primary Academy'**.

I am even more proud to read the glowing comments that the Ofsted Inspector made about our exceptional pupils, particularly how friendly and inclusive they are and also stating that **'During lessons and social times, pupils behave well.'** Ofsted also recognised that **'Pupils learn about healthy and unhealthy relationships. This empowers pupils. For example, they have a clear understanding of what to do if they experience peer pressure. Pupils also learn about tolerance and accepting differences.'**

The report highlights many key strengths in school including how well children are supported when learning to read, children's high levels of achievement and how learning is adapted to meet the needs of SEND pupils so that they achieve their best.

I am also pleased that the report recognises the high expectations we have as a Parkside community and that these are achieved. I have attached a copy of Parkside's Ofsted Inspection to this letter so that you can read it and I would like to take this opportunity to thank parents and carers for their continued support.

Yours sincerely

Ms Rachel Ward
