20 March 2020

Dear Parents/Carers

On behalf of the Trust, we would like to express our thanks for your continued support of school as we try to maintain some form of provision with an already reduced workforce. Your understanding and patience are appreciated as we respond to guidance that is updated daily.

We are committed to ensuring provision for vulnerable children and the children of key workers and this will be in place from Monday 23rd March 2020. We understand that these are difficult times for everyone and we will do our utmost to keep provision available in the coming weeks. However, we also ask that families continue to follow the advice from the Government and Public Health England; the health, safety and well-being of all is paramount.

If your child/children can stay safely at home they should do so, to limit the chance of the virus spreading. We ask that parents keep their children at home wherever possible and our schools will remain open only for those who absolutely need to attend.

In the meantime, please stay safe, look after yourselves and your families and do not hesitate to get in touch with your child's class teacher principally through regular home schooling posts on the school website.

Yours sincerely

Harry Wood – Chief Executive Officer

Pete Steadman – Chair of the Board
